## **Monthly Low Cost Vaccination/Microchip Clinic**

If you and your pet are separated during a storm, a microchip is the most effective means of identification. It could make the difference between being reunited with beloved dog or cat or never seeing them again.

The Humane Society of Manatee County offers low cost microchipping of your dog or cat at its monthly vaccination clinic. The cost is \$20 and includes a one year registration. This service is available to anyone with no residency or income restrictions.

Clinics are held monthly, the next ones will be on June 9th and July 7th. Reservations are required and time slots fill up quickly so make your appointment today!

Call 941-747-8808 x 302 or email [clinic@humanesocietymanatee.org](mailto:clinic@humanesocietymanatee.org) to make an appointment. The Humane Society of Manatee County is located at 2515 14th St. W. in Bradenton. More information is available on their website, [www.humanemanatee.org](http://www.humanemanatee.org).
